

# HEALING SERIES BY SAYE FEMI

## PART ONE

So who's online?

Let's do some study here

Okay good...

Thank you for your quick response

You're favoured everywhere!

So let's talk on Isaiah 53:5

Isaiah 53:5

[5]But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

There are lots to teach in this verse but we are only focusing on the last part.

Isaiah 53:5

[5]But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and \*with his stripes we are healed.\*

\*With his stripes we are healed\*

\*Healed\*

\*Healed\*

Let's start from the root

What's healing?

Healing means to cure, to made whole.

So a believer is cured, a believer is made whole.

I'll be very brief tonight... We will continue the rest later.

Having established this... Now let's ask ourselves some questions

- Is healing for everyone?
- Can a believer be sick?
- Why do I pray for myself and I don't get healed?
- Can I minister healing to others even though I can't pray in tongues?
- Does healing have to do with the length of hours I pray?
- Is healing a sealed promise?
- But but, some ministers of God died of sicknesses and diseases... Why?
- How do I minister healing to a believer?
- How do I minister healing to an unbeliever?

These are the scopes of questions we will be answering during this teaching.

I'll start with some today and will end it maybe some other time.

Please are we following?

So let's start with

### **Is healing for everyone?**

The question

Is healing for everyone?

If you were asked by an unbeliever

What will be your response?

Basically Yes... Healing is for everyone...

Healing is from God.

Healing is done by the power of God

Healing can't be done by the devil... It will only worsen the situation...

Remember you're a son of God.

So you can administer healing for anybody...

I repeat anybody...

Let's see the life of Jesus

Acts 10:38

\*[38]How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him.\*

Reread this...

Reread again

The second part of the verse says...

\*Healing all that were oppressed of the devil\*

Healing all...

Matthew 8:16-17

[16]When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and \*healed all that were sick:\*

[17]That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses.

It is also established here that healing is for everyone

**Can everyone be healed?**

Yes...

Is it clear?

Thank you ma

Before I move on to the next question

Anyone you know oppressed of the devil can be healed.

You're Christ on earth

You can replicate his works

You can replicate his actions

Christ is the firstborn among the dead

He is the prototype we are to follow

If he heal the sick, I can

If he raises the dead, I can.

I hope this helps your faith walk

So to the next question

**Can a believer be sick?**

Hmmmmmmm

A believer can be sick

And if he's ignorant

He will die like a fool!

As a believer

Your spirit is only regenerated

Your mind is undergoing renewal daily by you feasting on the word of God

But your body can't change until the second coming too.

Having known this,

We should endeavor to take care of our body very well...

Jack Coe... The most craziest healing evangelist that ever lived... Died of a disease... One small disease like that ooo

As in... Healing evangelist died of a disease...

Ironically funny

He died of a fever... Not even stroke or cancer...

Common fever

Why did he die of such?

He didn't take care of his body...

Let's check the Bible to establish this fact

Philippians 2:25-27

[25] Yet I supposed it necessary to send to you Epaphroditus, my brother, and companion in labour, and fellowsoldier, but your messenger, and he that ministered to my wants.

[26] For he longed after you all, and was full of heaviness, because that ye had heard that \*he had been sick.\*

[27] \*For indeed he was sick nigh unto death:\* but God had mercy on him; and not on him only, but on me also, lest I should have sorrow upon sorrow.

Read this again...

Epaphroditus...

A fellow believer

A companion of Paul o

Why was he sick unto death?

Acts 19:11-12

[11] And God wrought special miracles by the hands of Paul:

[12] So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.

The same Paul that wrought special miracles here

Think about it for a moment

What would have happen that Paul won't be able to minister healing unto him?

Remember I said earlier

Healing is for everyone

Please are we following?

Okay good...

As a believer

If you don't take care of your body...

You will just die like a fowl

At Salvation, God didnt take away your brains

You're to apply common sense to everything you do

Although healing is for everyone but there are some situations that all you is just bed rest..  
Nothing else... You don't need anyone to lay hands on you.

Sometimes people come to me to pray for them that they're sick...

The first question I asked is that

When was the last time you slept?

When was the last time you ate good food?

Some believers are so ignorant of all these little things

Because you have the Holy Spirit doesn't mean you shouldn't take care of your body.

Remember your body is a temple, you need to take care of a temple na

Even Jesus Christ slept now

So who are you not to sleep

Can I continue?

Are we getting it?

To be in good health

Eat good food.

Sleep when necessary.

Exercise when necessary.

So having establish that a believer can fall sick if he doesn't take care of his body.

I'll drop my pen

We will continue some other time

Any questions?

The teaching will be in series

I think four series should be enough

One is gone today

Remaining three

So let me drop this before saying the closing prayer.

So whenever you're confessing the new creature realities

I am this

I am that

I can do this

I can do that

\_Remember God has perfected everything before the foundation of the world\_

\*You're the one that have your part to play\*

The Bible says \*Let God be true and Everyman a liar\*

If a believer is sick, ask him whether he didn't take care of his body or is just a spiritual attack...  
It's either of the two...

Sicknesses and diseases can't be from God

Never!

Never!

There's no variableness with God

There's no shadow in him cos he's the true source of light.

He's the one and true God

He can't inflict diseases or pain unto his sons and daughters... It's not possible!

All diseases and sicknesses are from the devil!

\_So make this confession before you sleep tonight\_

I am born of God

I refuse to be sick

I can't be down

I can't be broken

Greater is he that's in me than he that is in the world!

Sick and diseases can't be found in my habitation

I am the carrier of God's divine nature

I know no sickness

I know no disease

When I lay hands on the sick, they recover

\_Oh glory glory\_

\_Glory to God forever more\_

\_Amen!\_

Let someone give us the closing prayer!

Thank you father for your word, thank you for the enlightenment, thank you that you are taking us some where, in Jesus name I pray.

Thanks everyone for the audience

God bless you all

Good night everyone

And don't forget to sleep o

Its important for the health

The second part

I don't know the date yet o

Maybe tomorrow

Maybe next week

I don't know

But it won't be long.

## PART TWO

\_Get ready for the part two in a moment\_

\_Stay blessed.\_

Having established this... Now let's ask ourselves some questions

- Is healing for everyone?
- Can a believer be sick?
- Why do I pray for myself and I don't get healed?
- Can I minister healing to others even though I can't pray in tongues?
- Does healing have to do with the length of hours I pray?
- Is healing a sealed promise?
- But but, some ministers of God died of sicknesses and diseases... Why?
- How do I minister healing to a believer?
- How do I minister healing to unbeliever?

These are the scopes of questions we will be answering during this teaching.

\_So good evening once again\_

If you're online

Signify

Sis Bolu

Please pray for us

Father we say thank you for your word that you've been sending and for the revelation that you'll still reveal to us. We pray that our hearts are open to receive correctly in Jesus name. We receive utterances for the teacher in Jesus name... Amen

\_Amen\_

We've considered the first two questions

Tonight we will be considering the next three questions.

The first question

### **Why do I pray for myself and I don't get healed?**

The first thing I'll say here is unbelief...

Mark 11:23-24

[23]For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.

[24]Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Check that verse 24 again

What things soever ur desire...

You desire that you walk in perfect health

Believe that you walk in perfect health

Receive it

Envision that you have it

And so walk in the light of it.

When youre done praying that you walk in perfect health

You're still doubting in your heart maybe it's gone or it's still there

Chai

Your case is different o

When you done praying

Walk in that reality

Do things you can't do before

Act in the light of being healed

James 1:6-8

[6]But let him ask in faith, nothing wavering. \*For he that wavereth is like a wave of the sea driven with the wind and tossed.\*

[7] \*For let not that man think that he shall receive any thing of the Lord.\*

[8] A double minded man is unstable in all his ways.

Check this passage

Ask in faith

Don't weaver

You'll receive

Although this passage is talking about wisdom but we can still applied it to healing

If you weaver....

You can't receive anything o

As in

Nothing at all

Hope we are following?

No response

Yes sir

Thank you

God bless you

[So let's go back to this question

Why you don't get healed whenever you pray?

In some situations

You may be healed already and all you need is just to rest

But as per strong head...

You didn't rest

You just continue your normal activities

There's a place of common sense o

I think I have established that earlier.

Take care of your body everytime

And there are some cases that you need a fellow believer to pray for you or an elder to lay hands on you

James 5:14

[14]Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord:

Elders are in the church to oversee both the physical and the spiritual aspects of the church

So there's a place of the elders

I think we've learnt honour in time past

If you've rested and it seems the healing is not coming though

Go and meet an elder in the faith and let them lay hands on you!

I've done this several times

I will meet an elder having done all what I know

And before I know it...

Everything is gone!

What an elder know, you don't know

Respect an elder

They have roles to play in your life

Hope we are following?

Now to the second question for today

Can I minister healing to others even though I can't pray in tongues?

The answer is Yes

I know many people here will be shocked to see this but the answer is yes

Let's check some bible verses

Luke 10:1,17-20

[1]After these things the Lord appointed other seventy also, and sent them two and two before his face into every city and place, whither he himself would come.

[17]And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name.

[18]And he said unto them, I beheld Satan as lightning fall from heaven.

[19]Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

[20]Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.

The 70 can't pray in tongues

Yet they healed in Jesus name

If you believe in the name of Jesus

You have the power of attorney

You can minister healing to anybody

The Bible says

\*At the name of Jesus\*

As in... At the name...

And we have that name

We've inherited that name

So you ministering healing to someone doesn't come because you pray in the Holy Ghost or anything

But because you have the name of Jesus

Because you're in that name

You can do anything with the name!

Praying in the Holy Ghost is the prayer language of a believer

Nevertheless it doesn't mean that until you pray in the Holy Ghost before you can minister healing

Being able to minister healing comes with you having faith in the name of Jesus!

The Old Testament prophets...

Do they pray in the Holy Ghost?

No!!!

But they minister healing perfectly!

Are we following?

Yes

Thank you ma

God bless you!

So the criteria for you to minister healing is you believing the name of Jesus

And acting with it!

Last question for the night

**Does healing had to do with the length of hours I pray?**

The answer to this question

Is a Capital YES!

You're praying 10 minutes prayer and you want to minister healing

Where's the boldness self

Wheres the confidence self

You acquire boldness through consistent prayer and study of the word

You have confidence when you've seen and touch something tangible

You don't pray 30minutes prayer and tell me that you want to minister to a mad person!

Remember the seven sons of sceva

Let's see that passage na

Acts 19:14-16

[14]And there were seven sons of one Sceva, a Jew, and chief of the priests, which did so.

[15]And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye?

[16]And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded.

The demons have track record oo

They don't dare argue with some set of people

I hope you're part of them?

As in... One man beat seven people...

So you pray until you lay hold of something

And you are not afraid to pray for any form of sicknesses

One thing about healing is that

Know and understand that all forms of sicknesses is from the devil

Every form is from the devil

So having established that

There's the how

If you're praying for deafness or dumbness

First cast out the demon

Then decree the place/part to be opened!

If you're praying for a mad person

Amen!

Cast out the foul spirit

There's a how to heal!

Back to this!

You can't pray for 12/24 hours that you're already drunk in the Holy Ghost and be scared of one stupid demon

Be charged everytime!

Stay charged

Stay high

Stay drunk

It's needed

It's expedient!

Pray daily

Pray everywhere

For people praying in the Holy Ghost here

Never be ashamed to pray in the Holy Ghost anywhere

When you're walking, pray

When you're less busy in the class, pray

Prayer is a lifestyle!

So basically

Healing has to do with the length of hours you prayed ooo

Even when Jesus was on earth...

He prayed oooo

Just to stay charged

You can't find Jesus praying for long hours before he healed a mad man

He has done that in his closet

Tarry more in your upper room

So that when you come out, everything will be simple for you

Ministry is frustrating if you don't know how to pray o

Learn how to pray!

There's a how to pray!

Learn it

If you're weak in prayer

Get a partner!

This life is tough

It's only the tough people that survive!

Mark 16:17-18

[17]And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

[18]They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

Healing ministry is for every believer

It's our calling

It's our purpose

It's our ministry

Jesus Christ did it when he was on it

So we can replicate the same

Oh healing is mine!

At the point of salvation I was made whole, so my duty is to make others whole!

I minister healing anywhere!

I'm not ashamed of the gospel of Christ!

The power of the Lord lives inside of me!

Glory to God!

So leave that your closet

Having fortified yourself secretly!

Go out and minister!

You're replicating Christ by doing that

So with these, I bring the teaching to a close...

Remaining two series!

I hope you were blessed?

Sis Victoria pray for us!

And so Father Lord

We bless you for tonight

We bless you for the teacher and we, the hearer

We bless you for your word

We say be thou glorified in Jesus name

We pray that we receive the grace not just to be the hearer but the doer of the word

Thank you glorious God

For in Jesus name

I pray

Amen

So before you sleep

Say this confession!

I am born of God

Spiritual things are not strange to me

I am a carrier of his nature

My entirety is supernatural

I know

I see

I hear

I do

My hands are for my healing

My ears are for hearing  
My eyes are for seeing  
My nose are for smelling  
I know  
I know  
Oh glory to God!  
Have a splendid night  
And don't forget to  
\_Drink a lot of water\_

### **PART THREE**

Good evening everyone  
\_Get ready for part three in a moment\_  
\_Stay blessed\_  
\_Get ready for part three in a moment\_  
\_Stay blessed\_  
If you're online... Can you signify please?  
Cool... So sis tomiisin  
Please pray for us

We pray that you will take charge tonight ijn

We will not only read the words only but understand the lines of the words in

Thank you heavenly father

In Jesus name we have prayed

AMEN!!

\_Amen\_

Having established this... Now let's ask ourselves some questions

- Is healing for everyone?
- Can a believer be sick?
- Why do I pray for myself and I don't get healed?
- Can I minister healing to others even though I can't pray in tongues?
- Does healing have to do with the length of hours I pray?
- Is healing a sealed promise?
- But but, some ministers of God died of sicknesses and diseases... Why?
- How do I minister healing to a believer?
- How do I minister healing to unbeliever?

These are the scopes of questions we will be answering during this teaching.

Having answered the first five questions

We will only touch the next two questions tonight

So the first question...

### **Is healing a sealed promise?**

Sealed promise in what essence...

The Bible says all the promises of God in him are yea and amen!

They are yes and amen(so be it)

And healing is a promise of God that have been fulfilled anyways...

So healing is a sealed promise

Isaiah 53:5

[5]But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

Now check this passage...

This was before Jesus death

The Old Testament prophets wrote according to their level of knowledge

Prophet Isaiah was describing the death and resurrection of Jesus Christ in this chapter...

He said... With his stripes... We are healed...

With his stripes.. We are healed... Hmmmmmm...

Meaning healing is a done deal... It's a sealed promise...

Healed there is a past tense verb...

Meaning it has been done in the past...

What you just need is to walk into it...

We are healed!

Are we following?

Yes sir

Tonight series will be short...

So as to give room to questions

Thank you sir

God bless you sir

Healing is a sealed promise

Just like we are sealed with the Holy Ghost

So also we are sealed with our healing

Healing is not something we should be praying for...

It's something we should walk into...

Its something we should walk in

Cos it's our inheritance in Christ

Christ didn't suffer for me so that I will remain sick!

No no no

He was made sick for my sake so that I cannot be sick!

Let's move to the next question... I want to establish some facts

**But some ministers of God died of sicknesses and diseases... Why?**

Okay... We know we can be sick...

But Christians keep dying of sicknesses and diseases everyday...

Why??

As said earlier... Healing is a sealed promise

All we have to do is walk in it...

You can't say because you've inherited healing from Christ

You keep on consuming chocolate everyday.. Or you keep on consuming sugar everyday... Or you keep on doing things that will endanger your health.

You'll just die like a fowl

The Bible says wisdom is profitable to direct!

Most of us here... Whenever we eat some certain kind of food... Our body reacts to them..

But because we claim we have the life of Christ... We keep on eating them and they keeps on deteriorating our health...

Be wise!

Stop what you have to stop

Eat what you have to eat

Don't eat what will harm your body!

Now we know of some Christians that love ice-cream a lot... As in.. They can use ice-cream to kidnap them...

You're using your health to play...

If you're a guy.. I pity you.

If you're a lady.. Your case is different too

Let's be wise ooo

Let's know what will eat o

You like opening your chest down during rain..

You're forming Bruce Lee...

The way you'll shake for three hours continuously

People will think you're filled with the Holy Ghost not knowing that it's as a result of what you've eaten!

Beware of what you eat o

Bible says bodily exercise profiteth a little

That little...

Let it has impact in your life

Exercise your body

Cos you have small money... You refuse to trek

You dont want to get tired.... Chai

I pity your body

Trek and burn all those fats danu

Hope we're following?

Yes sir

Take good care of your body

You've inherited healing in Christ

Now you have a part to play to walk in it

Amen!

So the answer to this is

If you don't take good care of your body...

No matter the number of dead men youve raised...

It may be a pity that when you die... No-one may be able to raise you

The reason why Christians die of diseases is cos they don't take good care of their body...

Now asides spiritual attacks now...

Nothing should make a believer sick!

So I'm still repeating my point... Take good care of your body!

So firstly

Healing is a sealed promise

Let's talk on this a little

1 Peter 2:24

[24]Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed.

Notice... Here... The verb used is \*were\*

And the verb used here is \*are\*

Remember this

Apostle Peter by the inspiration of the Holy Ghost wrote that we were healed...

Meaning our healing has been perfected... Meaning it's a done deal... Meaning it's sealed already...

We just need to walk in it

We just need to apply wisdom

We need to apply common sense

By taking care of our body!

Are we following?

Yes sir

Ye were healed!

Meaning it's not even right for believers to get sick

If you're sick.. It's as result of your lack of responsibility!

I've said it earlier that sicknesses doesn't come from God!

Amen!

God doesn't inflict diseases on you...

All those ones in the Bible are not from God...

The revelation of God is in Christ!

Amen!

Another talk for another day!

So take good care of your body!

Eat good food

Eat fruits

Exercise when due

Take a stroll when due

Don't just eat and eat and eat... Really.. Who does that...

Because you want to have first class

You're now going to night class everyday haba

When you breakdown now... Hospital straight o

I'm not saying you should not read o...

Eh! I read a lot too

But my point is understand the nature of your body!

So any questions?

ΦBut is it that those men of God or Christians that die of disease don't have people that pray for them before they die? Why is it that some have people they have healed and performed lots of

miracles still yet died of one ailment or the other...

Does God allow situations like this to happen at times for a reason ?

Φ Oh i pray u get my question ooo

Firstly

God doesn't allow any diseases on his sons!

Φ Not talking about sickness Ooo

Death ....iku

Secondly... Like I said earlier

If you don't take care of your body... It will lose shape, deteriorate... Accumulate fat...

Thereby leading to death

God doesn't allow his ones to die o

Die for what kwa

Φ They have Christ likes that pray for them in one voice is it that their prayers aren't enough ni?

Okay... About praying for them ba?

Cool...

If they believe in those prayers... It will surely come to pass...

People die cos of unbelief!

There's absolutely nothing prayer can't do

What if the person praying for them is not even sound...

That the person is sha praying for praying sake

Or the person doesn't know how to minister healing self

There are some situations that

► Healing depends on the recipient faith!

► Healing depends on the minister faith!

There are two different situations

If the recipient faith jam with the minister faith and the faith of the two of them are high.

Who born the devil!

But if there's a deficiency in the two...

Nothing may happen

Did I answer your question MA?

Okay

Alright thanks you have

Meaning FAITH the key substance to healing and prayer been answered

Yes ma

Anymore questions?

The concluding part will take place very soon

And after that I will treat \*Ministration of Angels\* in second semester anyways

Bro Victor

Please pray for us!

Father, we thank you for your word tonight. Thank you for illumination by your truth. Cause us to live in the liberty of Christ by the knowledge of truth. Thank you faithful Father. Hallelujah!

Amen!

Second semester you said

And we have not started first semester sef

Yes ma

\_Have a blissful night rest\_

## **PART FOUR**

\_Good evening everyone\_

\_The concluding part of the series will take place in a moment\_

\_Stay blessed\_

If you're online

Signify please

Please pray for us ma

Father we bless your holy name for another wonderful day we have brought unto us.

We are here to learn at your feet today once again Father, we pray our eyes of understanding are enlightened and we do not be hearer of the word only but we be doer and walk in this reality...

Thank you Abba Father.... In Jesus mighty name have we prayed

Amen

Having established this... Now let's ask ourselves some questions

- Is healing for everyone?
- Can a believer be sick?
- Why do I pray for myself and I don't get healed?
- Can I minister healing to others even though I can't pray in tongues?
- Does healing had to do with the length of hours I pray?
- Is healing a sealed promise?
- But but, some ministers of God died of sicknesses and diseases... Why?
- How do I minister healing to a believer?
- How do I minister healing to unbeliever?

These are the scopes of questions we will be answering during this teaching.

Good evening sir

We thank God for how far he has brought us to learn on the topic \*Healing\*

Remaining two more questions

Wow...

Good evening Papa. Please I would love if all these teachings can be compiled like other ones such as Honour. Just for the sake of some people among us that are busy.

okay sir... We will do just that sir

How do I minister to a believer?

How do I minister to unbeliever?

### **How do you minister to a believer??**

You minister to a believer by just telling him/her to walk into that reality of the finished works of Christ... That is... Salvation...

If he or she is afflicted by a demon... You cast out the foul spirit

Most diseases are caused by the actions of devils

For example... If you want to minister to a believer with an eye problem

You pray for the eyes to be restored...

You don't pray in tongues at that junction

You command!

Or another case...

You can pray on a material and tell the person to touch the material... And the person will be healed...

I do this most of the times..

I'll just tell the person to hold my clothes... That's all. The sickness is gone!

Let's check the Bible

Acts 19:11-12

[11]And God wrought special miracles by the hands of Paul:

[12]So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.

How did the handkerchiefs healed diseases?

This is it... Let me explain

The Holy Spirit is not in the handkerchiefs...

No no no

Paul simply transfer the power of God that's in him to the materials... That's all

Anything you put on has the power of God inside...

So far you that you're putting it on carries the power of God!

Be conscious of this

Back to this...

You can heal a believer in different ways...

If it's in the case of short legs and hands...

The people here(that used to come for our meetings the) can testify of that...

You simply grow out the body parts...

Not by praying in tongues anyways...

But by commanding!

Are we following please?

Yes sir

Okay...

Note...

There's no small sicknesses

There's no big sicknesses

The day this revelation dawn on me... Kai

Sickness is sickness

Don't categorize them

So if you're praying for fever or ache... You can choose to lay hands... Or you can just choose to just pray for the place by just muttering some few words and then activate your faith

It's your faith that produces result

If you're not seeing result... Check your faith!

So you minister to a believer as led by the Spirit...

There are some situations

A cogent part may be missing

Like someone that cannot talk or hear

If you know the name of the part, command it to come forth...

You're creating the part yourself... Such is called creative miracle!

But if a believer come and meet you...

I'm having headache

Ask him or her...

"When was the last time you slept?"

There are some situations that you don't need prayers at all.

You just need to advice the person ni

Take a nap and rest

You'll be fine

That will do..

Than you praying and the person will now come back and tell you that the stuff didn't go...

You'll now look like someone that doesn't have the Holy Ghost

There's wisdom in ministering too

If a believer doesn't believe in your healing ministry, don't pray for such

Gbam!

Are we getting it?

Yes sir

Even in the bible

When Jesus came to his own that they didn't believe him

He left them

if you know someone doesn't believe in your healing anointing

Don't minister to the person!

You can also minister to a believer by giving him food to eat...

See, all things depends on your faith!

If he or she comes and meet you... Just ask the person what he wants to eat.. And if he tells you, buy it or cook it.. Pray on it... Piam.. The sickness is gone!

There are various dimensions of healing o

My point is

It's not until you want to minister that you'll start praying in tongues...

Just decree words!

Decree and it shall be established!

Just try these things...

It has worked... It's working and it will work!

Lemme quickly rush to the last question

I need to touch some things...

Will be back on the believers aspect

### **How do I minister to the unbelievers?**

It's the same way but it's just that you don't teach the unbelievers to walk in the reality of who they are!

They first need to accept the life of Christ before doing that anyways

[The funniest thing about healing is that it is the unbelievers faith that will trigger you to do more!

As in their faith is just too high unlike the believers

Yes sir

There was a time I was so high on the Holy Ghost and I stood in the front of 400LT(for those in college)

As in I was really so high..

So I just shouted.. If you're sick come forward

Like two Muslim ladies came forward that day... I took them outside... And I asked them if they

believe... They said they do..

I just prayed with them...

Fiammmm

Within seconds they're healed!

Only few believers faith is thick like this

To minister to an unbeliever is the easiest

Just ask them if they believe

If they do.

You're good to go

Just do as you're led!

That's all

There are some situations that

It's word of knowledge that you'll use to know what's wrong with the person and therefore minister healing to the person

Let supernatural be your trademark!

Pray till they(supernaturals) become normal for you

So back to this

There are some situations that all you need is to teach the person about healing. That's all!

I'm so sure that people have been healed in the course of this teaching!

Let the person have an idea about healing... That's all!

To minister to a believer

There are various ways!

To minister to an unbeliever.. There are also various ways.. But it depends on their faith

All the person Jesus minister to while on earth are unbelievers na.

If you notice... All he asked them

"Did you have faith?... Did you believe I can do this?..."

Unbelievers deals mostly with faith!

Believers deals mostly with knowledge!

Hope we get the difference now?

So any questions?

No questions?

Did we understand each question?

Look at each question

Are you able to answer them

In the absence of no questions

Let me close the meeting!
